## PROJECTS

---

### **UTaxi: An Android-Web based Taxi Booking with Sales Report Application for Lucban Genesis Transport Service & Multi-Purpose Cooperative**

*Front-end Developer*

**2024 – 2025**

- The UTaxi application improves the booking process by connecting passengers with the nearest available taxi. It uses email verification for passenger and driver registration, ensuring only authorized users can access the system. Administrators can monitor and manage taxi driver earnings through a web-based sales report, which tracks booking transactions and monthly payments. This application enhances booking efficiency and provides an organized platform for managing financial records

## LEADERSHIP EXPERIENCE

---

### **The Society of New Technological Aspirants and Experts (SYNTAX)**

*Vice President & Overall Committee Supervisor*

**2024-2025**

- Monitor the performance of Standing and ad hoc committees and ensure the smooth and cooperative function within and between the committees.
- Assist the President in the management affairs of the organization.
- Lead the development and implementation of career development initiatives that seek to advance the technical proficiencies and soft skills of the members of the organization.
- Lead the development and implementation of initiatives that aim to promote the good use of IT and related files of programming.

### **The Society of New Technological Aspirants and Experts (SYNTAX)**

*Social Media Management*

**2023-2024**

- Lead the creation and implementation of strategies for social media content that highlight the organization's events, projects, and achievements.
- Manage the design and development of visual materials and layouts needed for the organization's official Facebook page and other digital platforms.
- Ensure timely posting of content while maintaining consistency, quality, and alignment with the organization's goals.

### **Bachelor of Sciences in Information Technology**

*Class Representative*

**2022-2024**

- Act as a bridge between faculty and students, ensuring clear communication and the timely delivery of important announcements.
- Represent the class in meetings and discussions, voicing student concerns and providing feedback to improve the learning environment.
- Ensure the smooth flow of information between the administration and the class, maintaining professionalism and responsibility.
- Organize and coordinate class activities, schedules, and academic-related events.

## WORK EXPERIENCE

---

### **Fresh Release Clothing.**

*Freelance Graphic Illustrator*

**September-November 2023**

- Designed custom graphics for clothing prints, ensuring designs aligned with client visions and brand identity.

- Collaborated with clients to refine concepts, select color schemes, and produce high-quality print-ready designs.
- Ensured designs met print specifications and maintained visual consistency across different garment types.
- Delivered finalized artwork on time while maintaining clear communication and providing revisions as needed.

### **Qtech Business Solution Inc.**

*Internship - Frontend/Project Manager*

**February-May 2025**

- Designed a ticketing system website where QTech clients could submit reports or concerns directly through the platform.
- Worked as part of a group, following the specifications and requirements provided by the team lead to ensure all necessary features were included..
- Focused on building a fully functional and responsive website that allowed efficient submission and tracking of client concerns.
- Ensured the system met all client and team expectations within the given timeline.
